Obituary.

Mrs. Mary Jane Kirby (nee Slater), daughter of Samuel and Sarah Chance Slater, was born October 15, 1838, in Burleson County, Republic of Texas. She was married to H. S. Kirby April 17, 1856, in Tyler County, Texas and lived in Woodville, Texas, a number of years, from which place she moved with her husband to Hondo in July, 1890, where she has resided up to the date of her death, Oct. 10, 1913.

She became a Christian at the early age of 14 years, and joining the Church continued an humble follower of the meek and lowly Nazarene throughout her life. Having no children of her own, during her life she cared for in her home altogether fifteen orphan children, some of whom she reared to manhood and womanhood, one of the number being Mrs. G. W. Jones of this place, whom she adopted in early childhood. She leaves a husband and her adopted children and many relatives and friends to mourn her loss.

Funeral Services were held at the house at 3:30 o'clock P. M. Saturday. Her remains were tenderly laid away in the new cemetery at 4 o'clock. Bros. Harbord, of the Christian Church, Horger and Fred of the M. E. Church, and Moses of the Baptist Church performing the last sad rites.

Slater and wife of Bessmay, Mrs. Austin M. Hill of Kountze, and Mrs. A. Armstrong a friend from San Antonio, and Mrs. Joe Kelly, a friend from Sabinal.

Paint or Not

Is a horse worth more or less after feed?

Hay and oats are high today; shall I wait today and feed him tomorrow?

That's how men do about painting their houses and barns and fences.

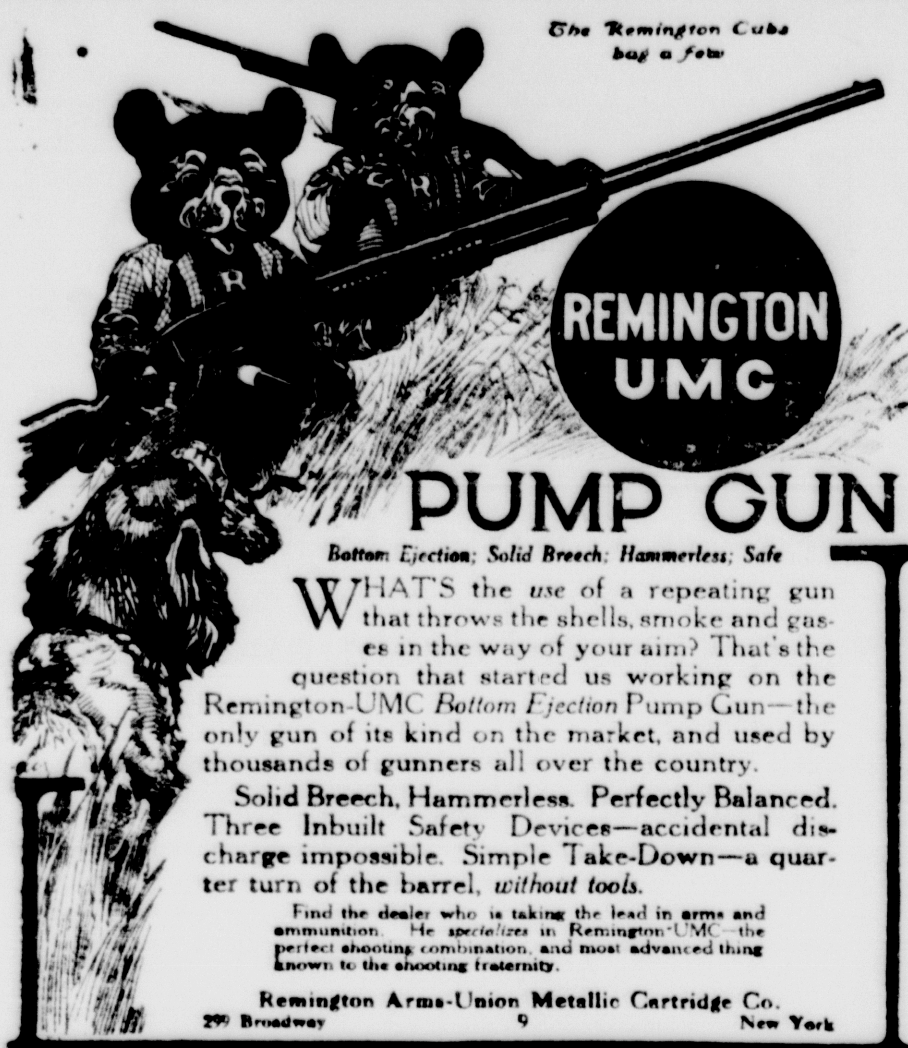

Paint has been high for several years; and so they have waited. Paint is high yet; they are still waiting; thousands of 'em are waiting for paint to fall.

Their property drops a trifle a year and the next job of paint creeps-up creeps-up; it'll take more paint by a gallon a year; they don't save a cent, and the property goes on suffering.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred dollars for any case that it fails to cure. Send for list of testimonials.

1st. 738 acres of land, known as Survey No. 1004, in the name of J. N. Berryman, described by metes and bounds as follows: Beginning at the N. 2nd. 738 acres of Land, known as Survey No. 1005, in the name of J. N. Berryman, described by metes and bounds as follows: Beginning at the N. E. corner of survey No. 905, Braxton County School Lands; Thence North with the East line of said Survey No. 905, 1560 1/2 varas to a stake and mound, made for the N. W. corner of this Survey; Thence East 2670 varas to a stake set for the N. E. corner of this survey; Thence South 1560 1/2 varas to a stake; Thence West 2670 varas to the place of beginning;

Said two tracts of Land lying and being situated in Medina County, Texas.

That on the said 1st day of August, A. D. 1913, the said Defendants unlawfully entered upon said premises and ejected plaintiffs therefrom and unlawfully withhold from them the possession thereof.

That plaintiff Louis Rothe's title to the above described lands is by virtue of a deed from Alvin P. Granger to F. Rothe and Bros., a firm consisting of Henry Rothe, Fritz Rothe, Louis Rothe and August Rothe, dated August 19, 1889, recorded in the Deed Records of Medina County, Texas, in Book A, No. 22, on page 24; and by deed from the said Henry Rothe and Fritz Rothe to Louis Rothe and A. C. Rothe, dated February 19th, 1897, recorded in the Deed Records of Medina County, Texas, in Book A, No. 28, on page 598, and by deed from A. C. Rothe to plaintiff Louis Rothe, dated July 14 1905, recorded in the Deed Records of Medina County, Texas, in Book A, No. 37, on page 507. That the said deed from Alvin P. Granger to F. Rothe & Bros. was filed for registration in the County Clerk's office of said Medina County, on October 3rd, 1889, that said deed from Henry and Fritz Rothe to Louis and A. C. Rothe was filed for registration in said Medina County on February 23, 1897; that said deed from A. C. Rothe to Louis Rothe was filed for registration in said Medina County on July 15, 1905. That the title of plaintiff A. C. Rothe Jr. to a part of said survey No. 1005, is by virtue of a deed from Henry Rothe, A. C. Rothe, Louis Rothe and F. Rothe, dated ———— 1912, filed June 10, 1912, for registration in said Medina County, and recorded in Book A, No. 47, on pages 430 and 431, of the Deed Records of said County.

Plaintiffs further represent and allege that they have a good and perfect title to said Land and premises under and by virtue of the Statute of Limitation of (3) three years for the reason that said plaintiffs, and those under whom they claim by duly registered deeds, have had peaceable and adverse possession thereof under title or color of title for more than three years prior to the institution of this suit.

Plaintiffs further represent and allege that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of five (5) years for the reason that said plaintiffs and those under whom they claim, as aforesaid, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes due thereon as the same

accrue, and claiming the title thereto under and by virtue of the above mentioned deeds of conveyance, duly filed and registered as aforesaid, for more than five years prior to the time of the institution of this suit.

Plaintiffs further represent and allege that they have a good and perfect title to the lands and premises under and by virtue of the Statute of Limitation of ten (10) years for the reason that plaintiffs, and those under whom they claim, as aforesaid, have had peaceable and adverse possession of said Land and premises, cultivating, grazing, using and enjoying the same for more than ten years prior to the time of the institution of this suit.

Plaintiffs further represent that the title or claim of the said J. N. Berryman, and the unknown heirs of the said J. N. Berryman, if any, to the above described lands, is by virtue of the patent issued by the State of Texas, to the said J. N. Berryman on July 16, 1852, being patent No. 579, vol. 9.

That the title or claim of defendant W. H. Parsons, and the unknown heirs of W. H. Parsons, is unknown; that the title of defendant, Myra W. Parsons, and the unknown heirs of Myra W. Parsons, if any, is by virtue of a deed from said defendant, W. H. Parsons, to said Myra W. Parsons, dated May 6, 1878, filed for record in Medina County, Texas, on June 27, 1879, and recorded in the deed records of said county in Book A, No. 12, on page 530; that the title or claim of defendant, Jacob Massina, and the unknown heirs of Jacob Massina, is unknown to plaintiffs; that the title or claim of defendant, A. P. Granger, and the unknown heirs of A. P. Granger, is by virtue of a deed from defendant, Jacob Massina, to the said A. P. Granger, dated March 21, 1878, filed for record in the deed records of Medina County, Texas, on June 11, 1878, and recorded in the deed records of said county in Book A, No. 11, on page 538.

Plaintiffs bring this suit for the purpose of determining the estate, interest or claim, if any, of each and all of the above named defendants, or any person or persons who may claim under them, in and to said lands and premises and that the court may adjudge and decree unto plaintiffs the said land and premises, free from any claim, title or interest of the said defendants, or any of them, and to forever settle by decree of court the title to said lands.

Wherefore, plaintiffs pray that said defendants, the names of part of whom are unknown to plaintiffs, and the residences of all are unknown to plaintiffs, be cited by publication as prescribed by the Statutes of this State, and that

upon final hearing in the case that plaintiffs have judgment of the Court, declaring and adjudicating the title to the above described lands to be in plaintiffs free from any and all claims in favor of said defendants, or any of them, and for such other and further relief, general or special, legal or equitable, to which plaintiffs may be justly entitled to.

And you will summon the said defendants to so answer the said petition by making publication of this citation in some newspaper published in Medina County, Texas, if there be any newspaper published therein, but if not, then in any newspaper published in the nearest county where a newspaper is published, once in each week for eight successive weeks previous to the return day hereof.

Herein fail not, but have you before said Court at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, August Kempf, Clerk of the District Court of Medina County, Texas.

Given under my hand and seal of said Court at office in Hondo, this 27th day of August, A. D. 1913. Issued same day.

When you feel dull, out of sorts, discouraged, half sick and everything seems to be going wrong, you can blame it on your liver. It is torpid. You need

HERBINE

A Medicine of Power in All Liver Disorders.

When the liver is torpid, it throws impurities into the system, which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine cleans out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

The Power behind the dough

You may use an old favorite recipe and the best of materials and make it carefully, the oven may be just right, yet you will have a failure if "The Power behind the Dough" is not the right one to leaven it properly and make it light, digestible, wholesome.

Good baking without good baking powder is out of the question. K.C. Baking Powder has wonderful leavening power, and the double action—in the bowl and in the oven—makes good results doubly certain.

Take no chances of failure—use K.C. and have "good luck" every time. At all Grocers.

Within easy reach of every point are modern gins, well equipped schools, commodious churches, good roads lead everywhere, to nearby railroad stations and the best markets in Texas.

Settlers now have all the advantages that can be found anywhere in a fully developed community without paying the prices that are asked in the older sections. You can have the benefit, for I am offering you the most desirable opportunity in Texas.

These lands are as good as can be had in South Texas; there are no better anywhere. Plenty of water can be obtained on any tract and shallow wells can be located at small cost furnishing an abundance of good water. The Forbes, Hamilton & Martin Comedy Co. opened Thursday night at the Star Theatre to a packed house. To say the audience was pleased would be putting it mildly. It was, without a doubt, one of the best shows that has ever visited Hondo. Vine Martin, that funny black-face fellow, was a scream with his monologue and dancing. The Hamiltons did one of the cleverest hits of trick piano playing ever seen here, that of playing two tunes at one time; and Conn Forbes, with his sweet tenor voice, added materially to the success of the performance. The one-act after-piece, "The Wonderful Telephone", by the entire company, was a laugh from start to finish. Their motto is "If laughing hurts you, stay away," and they certainly lived up to their name. They will be with us again tonight.

TESS and TED SCHOOL SHOES

Look Better—Fit Better—Wear Better

"TESS and TED" school shoes have become famous for their style, finish and long wearing qualities. Four pairs will outwear five pairs of ordinary shoes made for children's wear.

Many shoemakers yield to the temptation to use substitutes for leather in children's shoes, because of the high price of leather, but we have built up our business by selling honest leather shoes.

Cut up a pair of "Tess and Ted" or any other "Star Brand" shoes and you will find that they have sole-leather heels, soles and counters. No substitutes for leather are ever used. See No. 3130—a new model for boys.

Pure Shoe Legislation is pending in Congress and many states to protect you against fraud. We heartily endorse it. The cost of 100 million consumers are greater than those of a few hundred manufacturers.

"Tess and Ted" school shoes are made in a hundred different styles for boys and girls of all ages. They are designed to properly fit the foot of growing children.

How to Secure a Handsome HAND DECORATED Dinner Set Free!

Trade is never so brisk but any store can handle more of it. Being no exception to this general rule we expect to increase our business by offering for CASH TRADE premiums of the greatest value that have ever been given out.

A housekeeper may acquire a whole set of this chinaware at absolutely no expense by simply buying the goods you need in our line of us at prices always the lowest.

We desire to inform you that we have a contract with the oldest and one of the largest potteries in the United States to furnish us with a quantity of High Grade, Richly Decorated Semi-Porcelain Ware. The arrangement we have made with this pottery enables us to keep the Pattern in open stock and as an advertisement to place a handsome dinner set in every home in this vicinity.

The quality of this ware is first-class in every particular, the utmost care being taken in its manufacture, and it will not break or chip as easily as most ware does, and is guaranteed against crazing. The decorations are burned into the glaze, thus making them permanent.

The distribution of these handsome dinner sets will not effect our prices in any department. All goods you buy from us will represent the most and best that your money can buy elsewhere.

We are giving you an opportunity to secure a complete DINNER SET as an advertisement to increase our business and to show in a substantial way that we appreciate your trade.

We accordingly extend you a special invitation to call at our store and inspect these beautiful dishes. It will be to your advantage to call at once so we can explain to you our plan in detail.

A CLERGYMAN'S STORY

Came Near Losing His Life—How He Escaped

REV. G. W. ROBERTS,
R. R. 2, Box 27,
Hartsell, Ala.

The following letter was received by The Peruna Co. from Rev. G. W. Roberts, R. R. 2, Box 27, Hartsell, Alabama, under date of April 2, 1904, which is exactly nine years ago. He says: "I take pleasure in informing you of what your Peruna has done for me after three years of suffering. I had tried the treatments of several doctors, also home remedies, but they failed and all hope had gone. My friends, like myself, thought I was in the last stages of consumption."

"My daughter brought me a bottle of Peruna and plead with me to try it. I had got so weak I had lost my voice, and I thought it no use. That was in May, 1902. I began to take it according to directions. I wrote to you, and you gave me your kind advice."

"I soon felt better, my cough began to give way, and the expectoration lessened. I have taken fourteen bottles. I feel well, eat heartily, sleep soundly, weigh as much as I ever did, do considerable work on my farm, and attend to my other business. My friends seem astonished at my recovery."

"I wish to thank you for your kind advice and the books you have sent me. I shall ever praise your medicine and hope that you may enjoy a long life."

It will be observed that Rev. Roberts waited two years after he began to use Peruna, before he wrote the above letter to The Peruna Co. So that his apparent recovery could not possibly have been temporary relief.

In a later letter to The Peruna Co., dated September 22, 1906, Rev. Roberts says: "I am a great friend of Peruna. By the use of Dr. Hartman's advice I am here to-day, able to be with my family and attend to my business."

We quote from another letter, dated December 16, 1906: "I praise Peruna to all the sick. The people know my case, and they praise it also."

In a letter dated November 22, 1909, we quote Rev. Roberts: "Peruna gave me back my life ten years ago. All my acquaintances know that. I am certainly thankful to you for your kindness."

In a later letter, dated January 11, 1910, he says: "I shall ever in the future, as in the past, be ready to speak in praise of Peruna to all sufferers. I believe my miraculous cure has been the means of many others being cured in this county."

From a letter of September 5, 1911, we quote a few words: "I am still among the living. As to Peruna, I do not feel that I have words to express the faith I have in its merits. I feel that Peruna has been the means, through the kind providence of God, of prolonging my life for more than ten years."

We quote a still later letter, October 31, 1912. He says: "I took a severe cold three weeks ago. I at once sent for Peruna. Have been taking it two weeks. I am now better. I consider that Peruna has carried me over a dozen years of life. I always stand ready to answer any question in preference to Peruna."

We quote from his last letter, dated January 2, 1913: "Dear Friends, I wish this bright New Year to express my thanks to you for your kindness. Trusting that you may have a successful and happy year and that your medicine may prove a blessing to many as it has to me. I am yours as ever, G. W. Roberts, Hartsell, Alabama, R. F. D. 2, Box 27."

It is not necessary for us to add any words to this story. The eloquence and pathos of these letters are more convincing than arguments or affidavits. Who can doubt the clergyman's story? Who can doubt that Peruna saved his life?

Every home should be provided with the last edition of the "His Life," sent free by the Peruna Co., Columbus, Ohio.

"A Perfect Woman Nobly Planned To Warn, to Comfort and Command"

Nature never intended woman to be delicate, ailing, or a sufferer from "nerves." Women in middle age complain of "hot flashes." Many women suffer needlessly from girlhood to womanhood, and from motherhood to middle life, with backache, or headache, dizziness, faintness, or bearing-down sensations. For a permanent relief from these distressing symptoms, nothing is so good as

DR. PIERCE'S FAVORITE PRESCRIPTION

as a soothing and strengthening nerve-allays and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

After the ceremony the bridal party and invited guests repaired to the hospitable home of the lovely bride's parents, Mr. and Mrs. [Joe Halty, of Lower Medina, where the rest of the day was pleasantly spent in feasting and celebrating the happy event. DRUGGIST GIVES MONEY BACK

Dodson's Liver Tonic Gets a Four Square Guarantee from Win-drow's Drug Store

When an article is sold by a druggist who is willing to give it his personal guarantee, it's a mighty strong proof of real merit.

That's exactly the case with Dodson's Liver Tonic. It is a pleasant tasting, vegetable remedy for a slow and sluggish liver. Since Dodson's Liver Tonic came on the market the sale of calomel has gone 'vay down. The reason is simply this: Dodson's Liver Tonic is safe and harmless and guaranteed to be satisfactory—Calomel is often uncertain, sometimes dangerous, and no druggist wants to guarantee that it won't knock you out of a day's work and maybe send you to bed.

W. H. Windrow sells Dodson's Liver Tonic and guarantees it. For you and for your children, it's a good thing to keep a bottle always in the house.

W. H. Windrow will give you your money back if you think Dodson's Liver Tonic is not worth the price. "Keep your liver working and your liver will not keep you from working," is good advice to go by.

While here he paid a visit to Mrs. M. A. Kaufmann.

Adolph Reymann and family were the guests of relatives at Macdona Sunday.

Miss Mary Wittman and Geo. Echtle left for San Antonio today on business and pleasure.

Quite a number of our young folks attended the dance at Castroville Tuesday night and report having spent a most enjoyable time.

COD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements tonic iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness; and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.
